Strengthening families, one child at a time.

# Child & Family Agency of Southeastern Connecticut, Inc.

*It's About Children*

***Child & Family's mission is to promote the well-being and development of all children and their families, in particular to give priority to the unmet needs of children lacking physical, emotional and intellectual care and nurturing.***

Child & Family Agency of Southeastern Connecticut initially focused on adoption and temporary foster care for children of tubercular parents. While growing, adapting and anticipating the needs of the community, the heart of Child & Family's focus continues to be on children in the context of their families. Agency programs deal with child abuse prevention, the treatment of family violence, teen pregnancy, children's health care, childcare, parent education and children's mental health. We have become the largest non-profit children's service provider in southeastern Connecticut. Our staff of over one hundred-seventy includes social workers, physicians, teachers, psychologists, nurse practitioners, community workers, teacher's aides, administrators and support staff who are dedicated to meeting the unmet needs of children and their families.

## 2011 MESSAGE FROM OUR CEO & CHAIR OF THE BOARD

Dear Friends,

Despite a prolonged pathetic economic condition that plagues southeastern Connecticut, I open this annual message with a series of positive accomplishments. First, our school-based health centers serving children in New London, Groton, and Norwich received a significant federal grant that will enable the Agency to begin the process of moving to an electronic medical records system. Next, Child & Family remains unique among social agencies in having an active research and publishing presence in the field of social sciences. Our most recent publication, the "Handbook of African American Health," was recognized recently by the American Journal of Nursing as the most outstanding community health book for 2010. These and previous published volumes continue a decade long interest that this Agency has had in identifying and disseminating effective evidence-based treatment and prevention interventions to help children and families lead healthier and more productive lives. Current scholarship projects include a four volume second edition of "The Encyclopedia of Primary Prevention and Health Promotion" and "The Handbook of Social and Emotional Learning."

Actions, however, speak louder than words, and most important is the service we provide to children. Our internal assessment measuring quality suggests that those services are outstanding and certainly the numbers are impressive. In the last fiscal year, we assisted over 16,000 children and families. While I express pleasure at the incredible productivity of staff, I cannot but also feel saddened by the stresses and pain children and families are feeling that bring them to Child & Family for help.

With stagnant state funding for services and continued declining funding from the United Way of Southeastern Connecticut, the necessity of increasing our own fundraising abilities has been evident for several years. As with our scholarship endeavors, Child & Family is in the envious position of being directed by a group of volunteers who trace their lineage to 1809 and the Female Benevolent Society of Hartford. This is not a group of "woe-is-me" souls wallowing in the misery that has beset this region in recent years. Rather, this is a group of individuals who embrace the mission of Child & Family and service to others and work - and I mean work! Whether sorting donated goods for the tag sale, lugging chairs and tables for "Interior Inspirations," staffing the Charity Book Shop, directing traffic at "Touch a Truck," sewing costumes for the latest children's theatrical production at the Learned Mission or helping a child with their homework, this incredible group of souls make good things happen. As I have said repeatedly in the past and stress again today, so long as the Auxiliaries of Child & Family remain this Agency and its mission will prosper.

To the United Way of Middlesex County who in these difficult times increased their allocation to the Agency, to the Palmer, Shea, Bodenwein, Community Foundation, Salmon, Kitchings, Liberty Bank and Chelsea Groton Savings Bank Foundations, we are grateful for your continued support that enabled us to serve the children of New London, Middlesex, and New Haven Counties.

I do not expect the coming fiscal year to be any easier than those in the recent past. Indeed, there is a real possibility of slipping into a second recession with fewer economic tools (government spending) available to soften the suffering working families. I do know that if staff, the Board of Directors, and Auxiliary Volunteers hang together then we shall survive these difficult times.

Thomas P. Gullotta, CEO

Alva G. Greenberg, Chair of the Board

## Volunteer I Am

by Eileen Thompson

Twenty-four hours in every day.  
Where can I go to give some away?  
For my time is a gift.  
My experience gold,  
All I desire...  
Is a small hand to hold.  
A tear to wipe, a child to soothe  
A lonely heart to comfort when blue  
A harried worker to lend a hand to  
There's no need for you to strike up the band  
For I rarely seek out the fanfare of man.  
I simply have time to give quietly away  
To help those in need and brighten their day  
For my time is my own.  
I give it for free.  
A volunteer I am.  
A volunteer I'll be.

## Volunteers of the Year 2011

**Karen Nagel**

**Jeffery Lovelace**

*The Volunteer of the Year Award honors both Karen and Jeffery who have given so much of their time to Child & Family Agency.*

Not many even know the works of **Karen** and all that she does for CFA. She is by far the most humble, intelligent and kind woman we know. Her Board leadership, financial guidance and interaction with our staff, the children we serve and auxiliary members, just touches upon the many things that Karen has done for this agency.

For over 37 years **Jeffery** has been what many of us refer to him as the “secret auxiliary member”. His incredible smile that warms all our hearts is present at every single event, offering a helping hand and comforting presence. His media expertise and talents have helped bring CFA to the 21st century and his commitment to maintain our historic files through his incredible photographs will leave a legacy filled with decades of memories.

With great pleasure, we recognize

**Amanda Rutledge**

As an *Honorary* Lyme/Old Lyme Auxiliary Member

We would also like to congratulate  
**Alice Martinez**  
on receiving the 2011 ~ Lillian Erb  
Annual Sale Award

# AUXILIARIES OF CHILD & FAMILY AGENCY

The backbone of **Child & Family Agency** is the 600 plus volunteers organized into six auxiliaries along the shoreline. The membership of the Essex River Valley, Lyme/Old Lyme, East Lyme/Niantic, New London/Waterford, Groton and Mystic/Noank/Stonington Auxiliaries continue the legacy of that first group of Connecticut women who in 1809 witnessed inhumanity and acted to stop it. These members generously volunteer their time and talent caring for children, supporting fundraising events and participating in educational services. Energy, excitement, enthusiasm, passion, productivity and success through auxiliary events have helped thousands of children in need.

Congratulations to the auxiliaries, to our families and friends, to our generous supporters and to our incredible auxiliary chairmen and their committees who have worked so hard to help so many. It is the dedicated participation of the auxiliary members, that make the difference and provide Child & Family with unrestricted funding for programming and capital projects to meet the needs of children in our communities. *Thank you from the bottom of our hearts.*

Every year each auxiliary nominates a member who has gone above and beyond the call to help children in need.

## We congratulate the following Auxiliary Volunteers Of The Year 2010/2011.
